

More than just a market

MARKET NEWS 26th JULY 2016

Manager's Mutterings

I start today's Market Report paying tribute to Mick Audley who has decided to retire today after 35 years attending the market. Over the years Mick would have bought thousands of fat cattle for Rose County, Mutchmeats and lately for Woodhead Bros. and Elliotts. He was a dominant character around the ring and didn't take fools gladly.

Secondly fat cattle; good to see new vendors from Derbyshire, who brought cattle to Melton for the first time, and were very satisfied. Rob Davies from Gaddesby, Melton Mowbray topped the market with 2 'E' graded heifers, both realising 239ppkg and one grossing a few pounds short of £1600.

With Mick Audley buying for Woodheads and Richard Taylor of Owen Taylor & Sons Ltd (Butchers) trade was fierce.

Ben Shouler back in the helm and refreshed from his holiday and his market tours of the South-West, reported prices as good as ever and no signs of abating.

Likewise Barrie Williamson in the babies he had no shortage of purchasers eager to buy.

Tom reports bigger entry of prime lambs than expected with many farmers combining or haymaking. Trade was better than most expectations whilst the quality on offer was of particular note. Entries are invited for the Show & Sale on the 16th of August, for more information please contact Tom directly.

We would like to thank all customers and staff for their continued patience and support during this transition phase. The building work is creating a number of issues and we are continually striving to maintain business as usual.
