

More than just a Cattle Market

MARKET NEWS

28th JULY 2015

Tom's Twaddle

A good number of entries forward in all departments today with particularly pleasing entries of fat lambs and store sheep.

The first sale of breeding ewes through the ring was a success with this now being a weekly fixture through the Autumn. Please see the attached letter regarding our August Show & Sale of breeding ewes.

As some of you will know I have now been here for 12 months, how time flies when you are having fun!! My thanks to all who have supported me this far. I continue to look forward to an exciting future for the market. Progress for the cattle shed development is moving swiftly with planning permission now submitted and all the finer design details to be agreed this week.

Tim reports a strong trade still in the fat cattle; his numbers in this section continue to grow in response to a strong trade for all types, week in, week out.

Ben's store section reflecting the high fat price and all he, and the buyers are requiring are more cattle.

Simon's calf trade phenomenal, particularly for those continentals and stronger sorts.

As ever, please let us know what you are bringing in. We are working to market your livestock to best advantage. We can do this to best effect when we know what will be coming.
