## MARKET NEWS FOR TUESDAY 15<sup>TH</sup> MAY

### **Manager's Mutterings**

A lovely dry warm day for a change with a few farmers taking advantage and grass cutting though we still had a good turnout with 538 head of cattle, 2,414 head of sheep and 90 pigs forward.

Tom reports a good fat trade again with all firms requiring meat, be that lambs, hogs or ewes. Ewes and lambs filled a good portion of the shed. Trade, whilst not flying was constant. It seems plenty of farmers would like to buy, but with fewer lambs on the ground after a hard lambing, it may be that funds to buy could become a worry for some. We have to hope a good lamb trade can help fill the gap this year and perhaps ease some of the pressure.

Prime cattle were in demand with Robert Barker from Great Ponton topping the day with his Limousin Heifer weighing 531kg at 241p/kg and selling to Ozolin Butchers. Barren Cows were a very good trade with many meated cows on offer and topping at 178p/kg for the best Grade 1 Cow.

The catalogue remains a firm favourite with the customers with again 207 Reared Calves and 133 Strong Stores and Cows and Calves. Entries coming in for next week, and at first look plenty of quality coming forward. Please contact the office or myself with further entries before midday Thursday to be included in the catalogue. Today's prices and quality were good with Wainwright of Mount Sorrell topping the Reared Calf section with £1,270 for his 13 mo Pedigree Limousin Steer and £1,085 for his 12 mo Pedigree Limousin Heifer. The Strong Stores remain firm with AL Lamb of Great Casterton having the top price today at £1,210 for 22 mo Saler Steers, with more entered for next week and GW Fox from Ibstock realising £1,195 for a 25 mo Blonde Heifer.

This Saturday is our long awaited Horse, Tack and Machinery Sale.

Tom also attended the Leicestershire YFC Rally on Saturday, where we are the main sponsors. It was a great event with the usual YFC spirit of things at the fore and great to see so many active members getting involved.

We say goodbye to John Powell this week, who is returning to work nearer home in Worcestershire. I would like to thank John on behalf of staff and customers for all his work at the Market and wish him the best of luck for the future. We are recruiting for a replacement trainee auctioneer/field officer and if you know anyone who would fit the bill please put them in touch with me or [careers@meltonmowbraymarket.co.uk](mailto:careers@meltonmowbraymarket.co.uk)

## **SHEEP**

*Auctioneer:  
Tom Greenow  
on 07775 758586*

### **Slaughter Sheep (1,687)**

#### **Prime Hogs (836)**

A real mixed bunch again, with all the meat a royal trade from start to finish. Big hogs still coming to the money, with no end £130 plus. With even this few hogs about, we still had 8 buyers on 13 accounts, competing throughout.

A top price per kg of 257ppk for H Haywood, Harby and per head of £163 for Fran Hobill, Scalford.

SQQ 232.84ppk.

#### **Prime Lambs (84)**

A definite sharpening of trade as firms trying so hard to switch onto spring lamb, but numbers not forthcoming. A shortage especially of 40+kg lambs, which are simply flying.

A top price per kg of 338ppk for J Headland, Long Bennington and per head of £125 for the same vendor.

SQQ – 297.9ppk

#### **Cull Ewes (767)**

Very little difference in trade, with a real mixture about, and a lot of fat ewes forward. Trade strong and absolutely constant from start to finish with all buyers keen for ewes. A top price per head of £159 for I Churches, Northants.

Overall average £90.68

### **Store Sheep (178)**

Still they keep coming, with today's entry made up largely of a run of ewe hogs, which met a large crowd of purchasers. These being cheviot mule ewe hogs topped at £97.

Overall Average - £77.81

### **Breeding Sheep (200 ewes with 348 lambs)**

Some lovely sheep on offer, with Lowesby Farms making their annual consignment. Plenty of people wanting to buy but an obvious reluctance, with the uncertainty of the summer, following a difficult lambing. One or two perhaps tightening the purse strings, in expectation of having less lambs to sell.

Trade level throughout the sale, with lambs closest to being finished making the best premiums.

North Country Mule theaves with 1.6 lambs to £73 per life (£194 per outfit)

North Country Mule theaves with 1.8 lambs to £71 per life (£201 per outfit)

Continental x flock ages with twins to £85 per life (£255 per outfit)

Suffolk x flock ages with twins to £66 per life (£198 per outfit)

Texel x hogs with singles to £81 per life (£162 per outfit)

Overall average £68.58 per life or £183.69 per outfit.

## CATTLE

### Slaughter Cattle

*Auctioneer:

With a few farmers making use of the recent fine weather cutting grass, hence the reduced numbers. Cattle in high demand and prices dear due to scarcity.
