MARKET NEWS FOR TUESDAY 29TH MAY

Manager's Mutterings

A typical end of May Bank Holiday entry with fewer numbers of stock but hundreds of tourists keeping the food outlets, stall holders and the farmers market busy.

Livestock numbers today were 354 head of cattle, 1,490 head of sheep and 51 pigs, please note it is pig week again next Tuesday.

I judged at the Herts County Show at the weekend, seeing so many friendly faces and would like to take this opportunity to thank the organizers for looking after me so well and congratulating them on a tremendous, well run show. Talking about shows I'm intending to be at the Staffs Show on Thursday speaking to a few clients and also in the area on Friday if anyone else wants to meet up, give me a call.

Next week we have two catalogued sales, our normal Store Catalogue Sale but also the National Sale of Bazadaise Cattle both catalogues will be available from the office or via the website www.meltonmowbraymarket.co.uk. Entries for both sales need to be known to us by 12 noon on Thursday.

Saturday we hold another General Horse, Tack and Machinery sale to include a complete clearance from a local stable. The first Saturday in July, the 7th we introduce Poultry back to weekend sales and with great excitement we can now finally announce our partnership with Arena UK on holding an Elite Sports Horse Sale on Thursday 19th July at Arena UK. We also have another sale at Arena UK on Sunday August 12th for warranted horses and ponies with entries invited. Full details available from the press release on page 2 or from our website.

Elite Horse & Pony sales in the heart of England

Arena UK and Melton Mowbray Market today announced a partnership to provide Elite Horse and Pony Sales in the heart of England.

The partnership begins with Sales at the British Show Jumping Show on Thursday 19 July and a dedicated Horse & Pony sale on Sunday 12 August 2018.

Arena UK provides the UK's largest indoor and all-weather arenas, making it the perfect place to show horses for sale. Melton Mowbray Market has been selling horses for most of its 1,000 year history and its general sales are recognised as the best of their type in the country.

Teresa Stratford, General Manager of Arena UK said:

"We are delighted to forge a partnership with Melton Mowbray Market to bring elite horse and pony sales to the East Midlands where the equestrian community can buy and sell animals with complete confidence and we look forward to a long and successful business relationship."

Tim Webster, Market Manager & Head of Horse Sales at Melton Mowbray Market said:

"Melton Mowbray and its surrounding area is prime horse country and hitherto, customers have had to travel West or to Ireland to buy or sell their animals. With this partnership we bring our selling expertise together with Arena UK's premier facilities to deliver a premium experience in the heart of England for the benefit of our customers and their horses."

Joss Williams, International Horse Jumper and Equine Agent, said: "The combination of Melton Mowbray Market's auction expertise with Arena UK's superb facilities, will provide a fantastic venue for us as both buyers and sellers. I look forward to these and many more sales."

These two sales represent the first stage of the partnership between the two firms and further sales are anticipated.

About Melton Mowbray Market

Melton Mowbray Market, operated by Gillstream Markets Ltd, is the largest town centre Livestock Market in the country and has been in existence for 1,000 years, predating the Domesday Book. The main market has been held on a Tuesday since at least 1324 when it was granted a charter by King Edward II. As well as the regular livestock market, it holds 18 well attended general horse sales a year. Melton Mowbray's horse traditions run deep with the Belvoir, Quorn and Cottesmore hunts all converging on it. It also hosts the Royal Army Veterinary Corps which is celebrating its 100th anniversary.

Slaughter Sheep (1,344)

Please would vendors make every effort to arrive on time with sheep – we are here from 6am to help sort and weigh sheep.

Prime Lambs (167)

A few less than anticipated, which was a pity, with a nice trade throughout. Just a word of warning – there is bound to be some difference in price between a lean lamb and a fit lamb of the same weight. That bit of food is surely worth the cost.

A top price per kg of 264ppk for AC & RCW Turney, Swinford and per head of £118 for R Woolway, Somersham.

SQQ – 246.06ppk

Prime Hogs (781)

A lovely show of hogs for the most part, with some fantastic meat on offer. Trade not at the dizzy heights of recent weeks but still firm enough. Plenty of meated hogs 200-210ppk, with all weight paid for, and buyers wanting more.

A top price per kg of 235ppk for G Green, Kibworth Beachamp and per head of £125 for Skinner Bros, Holwell.

SQQ 199.40ppk.

Cull Ewes (396)

Certainly no less, and the medium sized ewes, when not fat, were a little stronger. All buyers keen, even in mid Ramadan. Only a few best ewes but these in best demand, with no end over £110. A top price per head of £142 for G Green, Kibworth Beauchamp.

Overall average £87.48

Store Sheep (48)

A top price of £74. Overall Average - £67.17

Breeding Sheep (38 ewes with 57 lambs)

Still a very nice trade throughout, with a lot of little ewes, albeit with some smart lambs at foot.

Continental x full mouth with twins to £71 per life (£213 per outfit)
Suffolk x full mouth with twins to £68 per life (£204 per outfit)

Overall average £57.23 per life or £143.11 per outfit.
