**SALE TIME** - The sale will start at approx. 11.00 am. (subject to the completion of the ewe sale.

**CONDITIONS FOR SALE** - All rams are sold subject to the Livestock Auctioneers Association conditions of sale and the Ram Sale By-Laws. No rams shall be sold on the premises by private treaty other than those which have been offered for sale in the ring first. All rams sold by private treaty after leaving the ring **must not** be below the upset price and **must** be booked through the Auctioneer and the appropriate commission paid.

**MINIMUM BIDS** - There will be a **minimum bid of 300 gns for shearlings and 200 gns for lambs.**

**ARRIVAL** - All rams must be penned by 8.30 am on the morning of the sale. Inspection will commence at 8.00 am.

**MAEDI VISNA SCHEME** - All sheep in the sale are from Maedi Visna Accredited Flocks.

### **INSPECTION**

All rams will be sold subject to an inspection by the NSA. The inspectors will consider the following:-

1. That the animal's identification is as required by legislation.
2. The animal is not suffering from any infectious or contagious disease.
3. All rams must have two adequately sized testicles of approximately the same size and normal consistency.
4. That the animal is of a quality commensurate with the level set by the Ram Sale Committee and is of adequate weight for the age and shows no malformation in structure.
5. The teeth of the animal are in the correct position.
6. There is no abnormal deviation in the structure of feet and/or legs.

**Inspection is a condition of entry of the NSA and compliance with this inspection shall in no way form a guarantee to the purchaser of the animals so inspected.**

THOUGH CARE IS TAKEN TO INSPECT EVERY RAM FOR DEFECTS, THE FINAL ONUS REMAINS WITH THE PURCHASER.

All rejected sheep must be removed from the sale pens. They cannot pass through the sale ring. Complaints must be notified to the Auctioneers within 1 hour of the end of the sale or before removal from the market, whichever is the sooner.

The purchaser shall have no rights to claim damages from the vendor in respect of indirect or consequential loss such as loss of profit or any other loss whatsoever.

## **VENDORS -**

**Vendors are advised not to unload any sheep at the Sale before obtaining clear instructions from the Sale Stewards. Stewards will take your movement documents, have sight of your valid Maedi Visna certificate and supply neck tags with your lot numbers on at the entrance to the sheep yard and prior to unloading. Please ensure you have these documents to hand.**

It is the responsibility of vendors to take their rams, in catalogue order, to the collecting pen in good time prior to entry to the sale ring. Rams will be supplied with lot numbers at the Market.

An Auctioneers Slip shall be handed to the purchaser upon completion and also pass out slips for sheep not sold - these must be retained carefully for inspection by Stewards until final departure from the market. Vendors and purchasers are reminded that all rams must be cleared from the market by 6.30pm - should an extension be required arrangements must be made with the auctioneer.
