POULTRY HEALTH DECLARATION

On signing this declaration you are agreeing to our conditions of sale as follows:

a) You are confirming that the poultry you are presenting for sale are in good health and are from disease free stock.
b) All stock should be checked prior to loading and placed in clean crates or boxes for travelling to this market
c) The birds should not have originated from premises or areas which are under restrictions related to confirmation of a notifiable avian disease.
   (Please see Defra website for details or see our map.)
d) All vendors must hold a valid registration card which must be shown prior to entry. This can be obtained from the fur'n'feather office on presenting a valid form of id.
e) When booking in poultry you will be allocated the requested number of pens. Please place your stock in these pens only. PLEASE DO NOT EMPTY YOUR BOXES OR CRATES THAT MAY CONTAIN POULTRY FAECAL MATERIAL WITHIN OUR AUCTION AREA.
f) All cages, crates and carrying boxes must be removed from the auction area as soon as the birds have been penned.
g) Disposable boxes should be deposited in the wheelie bin provided at the entrance of the poultry shed. Carrying crates can be washed out at the wash-down area located in our carpark.
h) Please use the hand washing facilities provided and the biosecurity mats or dip when entering and exiting the poultry areas.
i) Poultry will be checked and any stock found to be unfit will be withdrawn. Stock suspected of carrying the Avian Flu disease will be subject to a vet inspection and the area will be closed to all movements, all costs incurred will be chargeable to the Vendor including the cost of additional bio-security procedures needed to be carried out on site.
j) It is recommended that poultry returning to your holding are placed in isolation for 7 days.

I confirm that to the best of my knowledge my birds presented for sale today have not been in contact with any notifiable Avian Flu disease agents and do not show any signs of infection:
