## **Conditions Of Sale**

### Please Note:

Melton Mowbray Market sells under the Livestock Auctioneers Association (LAA) conditions of sale which are available in the office and on the website.

No Lot is to be removed until arrangements for payment have been made.

### Important

It will be the Vendor's responsibility to provide the correct documentation (I.E. CID and/or Passports) for each animal. The purchaser will have 72 hours to check such documentation and can at the vendor's expense return any beast with the wrong documentation, or the whole of the Lot with which it was sold, or he can reclaim from the vendor any premium lost as a result of either the vendor's wrongful description of the animals or the incorrect nature of the documentation supplied. The vendor may be liable for any additional costs incurred by the auctioneers in satisfying the purchaser's requirements.

### Special Conditions

All Heifers are sold as being under 30 months old and sold with the appropriate passports unless otherwise declared.

### Notice To All Bidders

If you are purchasing animals on another person's behalf, you must inform the auctioneer BEFORE the sale commences and it must be agreed with the auctioneers who the animal will go to, and who will pay for them.

We would remind you of the Conditions of Sale that place joint and soul responsibility for payment on the person bidding and the eventual purchaser.

### Health & Safety – Important

Please remember that the Livestock Market is located close to the town centre. Please use the utmost care and pay due attention when unloading and loading cattle.

Under no circumstances bring cattle to the market which are fractious or dangerous.
