Due to extraordinary cost increases across the board from our card payment provider starting in April, **PLEASE NOTE - CARD PAYMENTS**

We will not be able to accept commercial Debit Cards without the 3% surcharge that currently applies to commercial Credit Cards. We continue to work with our card providers and other providers to address this issue, but in the meantime, the only card payments we can accept without surcharges are consumer debit cards. We continue to be unable to accept consumer credit cards at all. We apologise for the inconvenience caused and would encourage customers to use BACS payments wherever possible.

Farm assurance status

Would all cattle vendors selling cattle as Farm Assured please ensure that their Farm Assurance is up to date, with all linked holdings registered to the primary holding, and ensure that the stickers used in passports match the details held by the administering Farm Assurance body.

We are increasingly having issues with linked holdings not being covered under a primary FABBL account, and severe deductions are being applied at the time of slaughter. In such instances, the vendor is liable for all deductions made.

Please tick the box on the entry form if you are Farm Assured, otherwise we will sell as Non-Farm Assured.

Cattle Entry Forms

We would like to remind our customers of the importance of correctly filling out Cattle Entry Forms. **ALL cattle must be accompanied by a fully completed and signed entry form to include the TB testing interval and date of most recent test along with Farm assurance details and any reserves.** Cattle entry forms can be collected from the market office or downloaded from our website. If you have any questions, please ask a member of staff, or call us on 01664 562971.
