CARD PAYMENTS

Due to extraordinary cost increases across the board from our card payment provider starting in April, we will not be able to accept commercial Debit Cards without the 3% surcharge that currently applies to commercial Credit Cards. We continue to work with our card providers and other providers to address this issue, but in the meantime, the only card payments we can accept without surcharges are consumer debit cards. We continue to be unable to accept consumer credit cards at all.

We apologise for the inconvenient caused and would encourage customers to use BACS payments wherever possible.

CATTLE ENTRY FORMS

We would like to remind our customers of the importance of correctly filling out Cattle Entry Forms. ALL cattle must be accompanied by a fully completed and signed entry form to include the TB testing interval and date of most recent test along with Farm assurance details and any reserves. Cattle entry forms can be collected from the market office or downloaded from our website. If you have any questions, please ask a member of staff or call us on 01664 562971.

PAY ON THE DAY POLICY – REMINDER OF TERMS

We would like to remind our customers that all store and breeding stock must be paid for on the day. Prime stock purchasers can apply for terms using an account form, which can be posted or emailed on request and are also available from the market office. For Prime stock purchasers with credit agreements, credit terms will extend to a maximum of two weeks. If you have any questions, please don't hesitate to contact us on 01664 562971.

FARM ASSURANCE STATUS

Would all cattle vendors selling cattle as Farm Assured please ensure that their Farm Assurance is up to date, with all linked holdings registered to the primary holding, and ensure that the stickers used in passports match the details held by the administering Farm Assurance body. We are increasingly having issues with linked holdings not being covered under a primary FABBL account, and severe deductions are being applied at the time of slaughter. In such instances, the vendor is liable for all deductions made.

NAMED/NUMBERED SIRES

Vendors are advised that named sires must be officially printed on the passport of the animal and not hand written. We will not sell animals as being named or numbered sire if the sire details are not printed onto the passport. Sire details may be checked with the breed societies online to ensure that they are correct. Please also include sire details on your blue entry forms which accompany cattle to market. Thank you for your cooperation.

LAIRAGE

For lairage please call Rory Mullan (07500 833 710).

AGENTS ACTING FOR THIRD PARTY PRINCIPALS

Agents acting for buyers are reminded that under the national LAA terms and conditions of sale (para 17.3), they are jointly and severally liable with the principal for all contracts. The agent may be released from their joint and several obligation, but only through prior written agreement with the Market.

IMPORTANT NOTICE!

New Veterinary Attestation rule for farmers to be introduced on 13th December 2023.

THOSE WITHOUT VETINARY ATTESTATION MAY RISK SERIOUS PRICE REDUCTIONS WITH STOCK BEING INELIGIBLE FOR EXPORT!

What's changing? Changes in legislation, as from 13th December 2023, will require all producers selling livestock for slaughter to have had an annual farm veterinary visit to allow their animals, and/or part of any animal, to be exported out of the UK. The purpose of the new rule is to comply with EU export requirements to verify the absence of notifiable disease and provide general advice on farm biosecurity.

Farmers whose holdings are already Farm Assured may use the veterinary inspection required for this as their attestation.

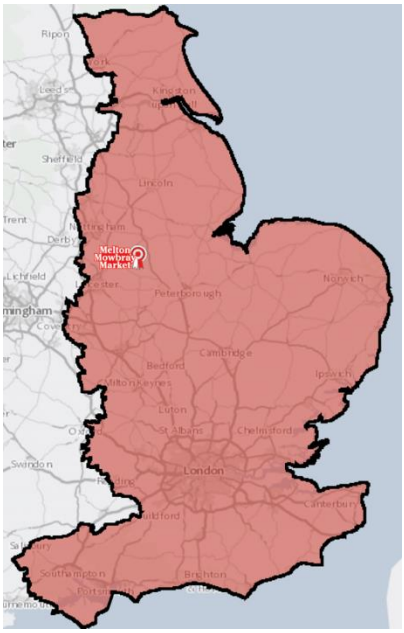
Bluetongue briefing – last update 17/11/24 – 11am

Last night (Saturday), the Restricted Zone (the "Zone") was extended to include more of Hampshire and part of Wiltshire. We are also now using our permission to sell breeding stock to buyers outside the Zone for the Winter Warmers sale next weekend and the facility is available for all sales where there is a dedicated breeding section, including weekly Tuesday and Wednesday sheep and cattle sales – please contact the office to find out more.



The zone now covers part or all of the counties and unitary authorities of Bedfordshire, Berkshire (part), Buckinghamshire, Cambridgeshire, City of Kingston upon Hull, City of York, East Riding of Yorkshire, East Sussex, Essex, Greater London, Hampshire (part), Hertfordshire, Isle of Wight, Kent, Leicestershire (part), Lincolnshire, Norfolk, North Yorkshire (part) Northamptonshire, Nottinghamshire, Oxfordshire (part), Suffolk, Surrey, Warwickshire (part), West Sussex and Wiltshire (part).

Being in the Zone, we can sell livestock from the whole country, without any special licences. However, we are only allowed to sell to buyers within the Zone, buyers for approved abattoirs outside, or buyers of breeding stock which has been pre movement tested (or is from outside the Zone) and will be post movement tested. For more details on the movement restrictions and free testing available, see below.

We are aware that some abattoirs from outside the Zone are refusing to handle stock from within the Zone, or imposing price penalties on stock sold. Rest assured that for stock sold through the Market, we will get you the best available price on the day from competing buyers. We are working hard with existing and new buyers to find more outlets for your stock and campaigning directly and through our trade association, the LAA, for greater freedom of trade for you (to reduce these penalties) as the temperature reduces and the virus becomes less able to replicate. Please continue to visit this page for the latest information.
If you are in any doubt as to what you can do, please message us and we will do our best to help you.

More detail on movement restrictions

- Free movement within the Zone (save for premises under restrictions)
- Free movement into the Zone from Markets or farms
- No movement without a specific licence is currently allowed **out** of the Zone unless direct to licensed slaughterhouse, licensed slaughter only (Red) market or for breeding stock into England only subject to pre (within 5 days of consignment to Market) and post movement testing (6-10 days after leaving the Market) through an approved market (which includes Melton)

Vet Attestation

Vet Attestation - Requirement for livestock entering the food chain which may be exported to the European Union (EU)

To Livestock Producers,

If you are not part of a qualifying assurance scheme and have not yet received a vet visit and Vet Attestation Number (VAN), very shortly your business will be impacted if your livestock or any part of animal products derived from your livestock enters the food chain and may be exported to the EU.

Exports to the European Union (EU) will be stopped for livestock, livestock products and some 5th quarter products, from livestock farmers who do not provide a Vet Attestation Number (VAN) or show that they are part of a qualifying farm assurance scheme.

ACT NOW. If you do nothing and do not have a VAN, it may limit the value and demand for your livestock.

If you are not part of a qualifying assurance scheme and have not already received a vet visit and VAN, you should follow the steps below, or you may limit the value and demand for your livestock at a market or abattoir in the near future.

- **Speak to your vet to either;**

  a) **request a backdated vet attestation and VAN** from a farm visit in the last 12 months, or

  b) **arrange a visit from your vet** to provide you with a Vet Attestation and VAN. The visit does not have to have been specifically to provide a VAN – it can be provided `during vet visits carried out for other purposes, as long as the criteria at question 10 in the Defra Q&A are covered which can be found at https://ahdb.org.uk/exports.

- **Familiarise yourself with changes** that have been made to forms, systems and processes and include your VAN. This includes updated **LIS-Movement forms** (Sheep, Goats and Deer), and new functionalities within the **LIS** (Sheep, England), **eAML2** (Pig, England & Wales) and **ScotEID** (cattle, sheep and pigs, Scotland) digital movement systems.
- **Ask your livestock markets and/or abattoir** where and how you can provide your VAN to them.
- **Read the Vet Attestation information here** - https://ahdb.org.uk/exports
- **DO NOT DO NOTHING.**
- **ot act on this, your animal products will, very shortly, not be able to be exported to the EU**
