**Sale Warranties – Re: Bluetongue**

**Announcements should be made pre-sale, that all animals are sold as having no known "clinical signs of Bluetongue" at the time of sale. However, no warranties are given post sale.**

**It is the responsibility of prospective purchasers to inspect the animals before purchase, to satisfy themselves that the animals they intend to purchase have no clinical signs of Bluetongue infection.**

**All Animals are sold "as seen", with no warranties given for the presence of Bluetongue infection following the fall of the hammer ("contract for Sale")**

The only protection against Bluetongue is vaccination – the LAA strongly recommends that members encourage their customers to vaccinate their stock to protect them.

# PLEASE NOTE:

**CARD PAYMENTS**

Due to extraordinary cost increases across the board from our card payment provider starting in April, **we will not be able to accept Commercial Debit Cards without the 3% surcharge that currently applies to Commercial Credit Cards.**

We continue to work with our card providers and other providers to address this issue, but in the meantime, the only card payments we can accept without surcharges are consumer debit cards.

We continue to be unable to accept consumer credit cards at all.

We apologise for any inconvenience this may cause and would encourage customers to use BACS payments wherever possible.
