AUCTIONEER'S TERMS & CONDITIONS OF SALE

(Incorporating the Auctioneer's Terms and Conditions)

1. The biddings to be regulated by the Auctioneers and the highest bidder, subject to the Vendor's reserve (if any), will be the purchaser. No bid shall be retracted and if any dispute should arise between two or more bidders, the lot in dispute to be put up again and resold, or the Auctioneers may determine the dispute at their own discretion and their decision shall be final. The Auctioneers reserve the right to refuse the bid of any person without being called upon to give reason for such action.

2. The Purchaser to give his full name and dwelling place and pay for all Lots purchased immediately at the close of sale. No Lot or Lots shall be removed from the sale premises until paid for and a pass-out slip obtained from the Auctioneer's office but each and every Lot shall immediately at the fall of the hammer be considered as delivered and be and remain in every respect at the absolute risk and expense of the respective purchaser or purchasers thereof and shall be removed from the sale premises at the purchaser's expense. The right of property shall not pass until the full purchase price is paid.

3. Purchasers paying by cheque must be prepared, if required, to produce a banker's reference. As a result of the Money Laundering Regulations (2003) the auctioneers are unable to accept cash payments in excess of nine thousand pounds sterling for any single or linked purchase transaction.

4. All statements in the catalogue or made by the Auctioneers at the time of sale, also the correct identification of the animals, are the entire responsibility of the Vendors. The Auctioneers take no personal responsibility for the correctness of such statements or identities.

5. All statements in the catalogue, or any made by the Auctioneers at the time of sale relating to any veterinary or other tests are to be taken as statements of fact only. No such statements shall guarantee the purchaser of any animal against loss arising from the subsequent reaction of such animal to any test administered after the sale and the Vendors shall not be liable in any way should this occur.

6. All stock is sold subject to the Conditions of Sale recommended for use at markets by the Livestock Auctioneers' Markets Committee for England and Wales except in so far as these conflict with any Special Conditions applicable to the sale of pedigree stock, when the latter Conditions shall prevail.

7. Neither the Vendors nor the Auctioneers will be responsible for any accident or injury to persons or property, through fire or any other cause whatsoever, nor for any damage by animals prior to, during or after the sale.

8. No undertaking by the Auctioneers or their servants to take charge of any Lot or Lots after the sale or to forward them to their destination shall be held to impose upon the Auctioneers any legal obligation or vitiate any of these Conditions.

9. In as much as the Auctioneers act as agents for a disclosed principal they shall not be considered personally responsible for any default on the part of either purchasers or Vendors and the remedy shall be against them only and not against the Auctioneers.

10. If these conditions are unfulfilled, the Vendors or Auctioneers shall have the power to resell the Lots, retaining any surplus and charging any deficiency and expense to the defaulter.

BREEDING SHEEP & STORE LAMB SALE

CONDITIONS OF SALE

Except where otherwise stated by the Auctioneers at the time of sale, these conditions shall be binding on both vendors and purchasers of all classes of stock at this sale. All persons buying and selling such stock shall be deemed to do so with full knowledge of these conditions and such stock will be accepted for sale only on that understanding.

All claims for breach of warranty must be made to the auctioneers within one hour of the close of auction and before the animals have left the sale yard. No claims will be accepted after this time.

All claims for breach of warranty shall be settled by a person nominated by Melton Mowbray Market.

Such person shall have power to order the return to vendor of any animals which he finds do not comply with the warranty and he may order the payment of costs and expenses by the third party and/or compensation or, if time allows on the day of sale, resale by auction of the entire lot with all faults described. All animals must pass through the sale ring and be offered for public auction.

Private Sales will not be permitted.

Every vendor MUST ensure their sheep are penned in the correct pens BEFORE they are sold. The number of sheep in each lot shall be counted once leaving the pen to the ring and confirmed returning back from ring.

IMPORTANT

The time mentioned for making claims for breach of warranty must strictly be adhered to and no claim will be admitted if made out of time. The onus of providing that the claim is made within the proper time shall be on the person making it.

EWES & THEAVES

All Breeding Sheep sold in this sale shall (unless otherwise stated at the time of sale) be warranted by the vendor to be right and straight. The term 'right and straight' means that Ewes and Theaves are **correct in their teats and udder and correct in their mouth.**

Vendors offering ewes of varying ages in one lot MUST disclose the number of ewes in each age group.

Claims of breach of warranty of the above having been provided, the purchaser shall have the option of leaving such animal(s), otherwise the vendor shall pay compensation as defined in the LAA conditions of sale.

LAMBS

Unless otherwise stated it will be assumed that all whether lambs are properly castrated.

Any complaint as to whether lambs have been misrepresented as ewe lambs must be made by the time stated above.

Claims for breach of warranty under the above having been proved, the vendor shall pay to the purchaser compensation at the rate of 33% of the purchase price.

E.I.D: Sellers and Buyers must give particular note to the new LAA conditions of sale regarding liability as shown in the sales office.

PAYMENT: All stock must be paid for on the day of sale. Terms are strictly CASH or CARD unless credit references have been cleared with the Auctioneers prior to the day of sale for payment by cheque. Cheques will be accepted from regular customers known to the Auctioneers.

AGENT RESPONSIBILITIES: Persons purchasing on behalf of a third party are responsible for any debts incurred by the third party in accordance with the Conditions of Sale as laid down by the Livestock Auctioneers Association.

WARRANTY OF STOCK: All stock sold under the LAA Conditions of Sale as displayed in the sheep fair office and those within this catalogue.

SALE NOTES: Buyers are required to give particular attention to announcements made from the rostrum concerning animals as they pass through the sale ring. Confusion may often be avoided if alterations and amendments to catalogue particulars and other information of value are carefully noted when announced by the auctioneer at the time of sale.

REMOVAL OF SHEEP: It would be appreciated if all sheep could be removed the same day, we have limited lairage facilities.

A voluntary **MORTALITY WARRANTY** is charged to the purchaser at 0.5% per sheep sold at this sale valid from seven days from day of sale (please read conditions printed in this catalogue). Purchasers wishing not to pay the Mortality Warranty must be aware all sheep are at the purchaser's risk once they have left the sale ground.

Mortality Warranty – August 2026

The following Mortality Warranty will apply only where the Buyer makes payment of the additional mortality warranty premium at the time of purchase. The mortality warranty is voluntary, but will be added to the purchaser's invoice by default unless it is explicitly declined. The premium for each sale and item type will be calculated from time to time and available to customers along with other prices.

1. Mortality Warranty

1.1 Subject to the conditions set out below Melton Mowbray Market (the "Market") agrees to repay the hammer price of any animal sold at its auctions which dies within **seven days** of the date of the fall of the hammer as a direct result of a condition which existed at the time of the fall of the hammer ("the mortality warranty"). The Market will not make any payment over and above the hammer price nor reimburse any consequential losses or incidental expenses incurred. This is separate to any vendors warranty under the terms and conditions of sale, including for condemned stock.

2. **Conditions**

2.1 The conditions which must be satisfied before payment by the Market pursuant to the Mortality Warranty set out in sub condition 1 above are as follows:-

2.2 The Buyer must notify the Market in writing of the death of an animal which may give rise to a claim pursuant to the Mortality Warranty ("a Claim Notice") so that such Claim Notice is received in the office of the Market within 24 hours of such death and then at the Buyer's own cost produce a certificate from a qualified veterinary surgeon:-

A) Confirming the cause of death, and

B) Confirming the veterinary surgeon's opinion that such cause existed at the time of the fall of the hammer, and

C) Confirming whether, in the veterinary surgeon's opinion, there is anything which might give rise to the belief that **at the time of the sale** the vendor of such animal knew or ought to have known of, or had good reason to suspect the existence of the condition which caused the death, or of any symptoms connected with such condition. Such certificate to be produced to the Market within 48 hours of death.

2.3 If the Market so wishes, it may at its own cost obtain a certificate from the veterinary surgeon of its own choice within three days of notification of death by a Buyer.

2.4 The Buyer shall not dispose of any animal in respect of which they intend to claim pursuant to the Mortality Warranty until three days have expired since the Buyer has given a Claim Notice and give the opportunity for the Market or its nominated veterinary surgeon to inspect such animal as soon as it wishes during that time.

2.5 No payment will be made pursuant to the Morality Warranty where the Market's veterinary surgeon certifies that the Buyer or employees, agents, subcontractors, or independent contractors engaged by the Buyer or their agents (together the "Buyer's Agents") have caused or contributed to the death of the animal by the Buyer's own actions or omissions or those of the Buyer's Agents and the certificate of such veterinary surgeon shall be final and binding upon the Buyer and the Market.

3. **Vendor's Responsibility**

3.1 If in the opinion of the veterinary surgeon whose opinion shall be binding on the vendor the vendor of any stock the subject of a claim pursuant to the Mortality Warranty knew, ought to have known, or had good reason to suspect the existence of the condition which caused such death at the time of sale then the Market will not pay the vendor for such stock or if payment has already been made to the vendor shall repay the hammer price of such stock to the Market within three days of demand.

4. General

4.1 All the times set out in Clause 2 above shall be of the essence.

4.2 Breach of any of the provisions of Clause 2 above by the Buyer will result in the Mortality Warranty being invalidated and no payment will then be made pursuant to it by the Market
